

Climate-KIC Business Lounge - 19 April Special invitation for future entrepreneurs

Cleantech inventions meet future entrepreneurs

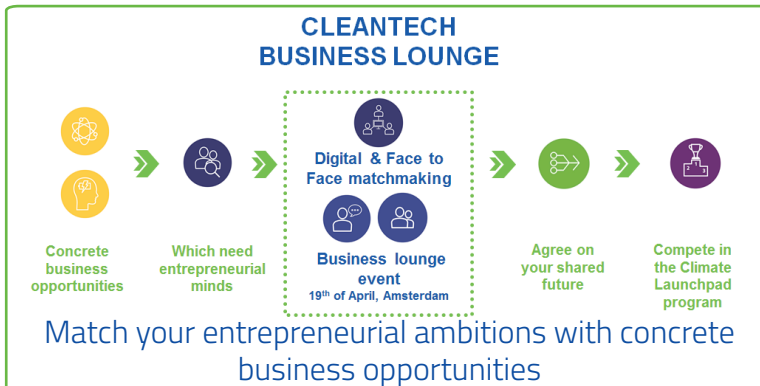

Climate-KIC is supported by the
EIT, a body of the European Union

Do you want to be an entrepreneur and accelerate cleantech inventions?

Be part of our Cleantech Business Lounge on 19 April at [FabCity Campus](#), Amsterdam! You have the opportunity to meet a select group of inventors with great business ideas. All are looking for entrepreneurial minds to bring their solutions to market.

Entrepreneurial minds

We have selected a range of inventions which are ready to enter the market. The inventors would like to get in touch make their invention a business success.

The inventors will showcase their business opportunities at the Cleantech Business Lounge. It is up to you to let them know that you are interested in becoming part of the entrepreneurial team.

Digital & Face to Face matchmaking

Before the event starts on the 19th of April, you get access to the selected inventions. You are given access to our online tool where you can review our selected opportunities and schedule a meet and greet at the event.

Agree on your shared future

The business opportunities are developed by large research institutes and universities so it is up to you to come to an agreement on the terms and conditions that will apply.

Compete in the ClimateLaunchpad programme

Once you have agreed on your shared future, you can choose to compete in the ClimateLaunchpad programme. Specifically designed for entrepreneurs who are establishing an enterprise. If you have what it takes, ClimateLaunchpad could be your ticket to business success.
